There is only one Wristband per Ticket. Once you have exchanged your Ticket, you must keep your Wristband (which will be placed on you in the access lane) for all the Festival.

It is forbidden to tamper with or exchange Wristbands.

The Wristband is the only valid element that entitles the Attendee to access and stay in the Venue.

The Organiser accepts no responsibility for the breakage, loss or mishandling of the Wristband, and it is the responsibility of the Attendee to keep the Wristband in safe custody at all times, as the loss, mishandling or breakage of the Wristband will make it impossible to access or stay in the Venue.

It is the Attendee's responsibility to check that the Wristband is perfectly closed at the moment it is placed on them, as a broken or tampered Wristband will not be exchanged or replaced under any circumstances.

IT IS VERY IMPORTANT THAT YOU KEEP YOUR WRISTBAND DURING AND AFTER THE FESTIVAL. DON'T THROW YOUR WRISTBAND AWAY WHEN YOU LEAVE THE FESTIVAL - YOU WILL NEED IT TO RECOVER THE UNUSED BALANCE OF YOUR CASHLESS WALLET - SEE SECTION "7. PAYMENT SYSTEMS ACCEPTED AT THE VENUE".

The Wristbands that allow access to the Festival are equipped with a technological device that acts as a wallet and allows Attendees (after recharging) to purchase products and services within the Festival. In this way,

payment by the Attendee for food and beverages, products or services within the Venue will be made by reading the chip on their Wristband (except at those points where payment by card or cash is permitted, as indicated in Section “1. FESTIVAL DETAILS”).

The use of the Cashless system does not entail any cost for the Attendee, without prejudice to

- Bank charges that may be levied by your own bank.

The systems for topping up the balance of the Wristbands are those indicated in the section “1. FESTIVAL DETAILS”.

KEEP YOUR WRISTBAND AT THE END OF THE FESTIVAL IN ORDER TO RECOVER THE UNUSED BALANCE: Once the Festival is over, you will receive information on the procedure and deadlines for recovering the unused balance on your Wristband. It is very important that you follow the steps to recover this balance. We would also like to inform you that:

- The unused balance will not be refunded immediately. Refunds will be processed at the end of the Festival, once the refund procedure has been initiated, and within approximately 15 working days from the end of the period allowed for requesting refunds.
- IT IS THE ATTENDEE’S RESPONSIBILITY TO REQUEST REFUNDS of unused balances. No refunds will be made unless previously requested.
- To request a refund, you will need the CODE THAT APPEARS ON YOUR WRISTBAND.
- It is the Attendee’s responsibility to provide all the information necessary to process the refund of unused balances in a timely manner.
- If a refund is requested, it will NOT be immediate. Both the cashless operator and the Organiser will work to ensure that Attendees who have requested a refund of their unused balances receive it as soon as possible. However, this process may take some time. For information purposes only, the average processing time for refunds is approximately 15 working days from the close of the application period. This period may vary for many reasons, including if the information provided in the request is incomplete or contains an error, in the case of non-Spanish bank accounts or cards, or in the case of any other incident, whether technical or of any other nature.
- THE RECOVERY OF UNCONSUMED BALANCES HAS A COST for the Attendee, which will be deducted from the balance to be refunded (without prejudice to any bank fees levied by their own financial institution).
- Any unused balances will not be refunded in cash but will be credited to the account/credit/debit card number provided by the Attendee.

11. TRANSPORT AND PARKING

Travel to and from the Festival and parking of vehicles is at the risk and expense of the Ticket holder.

As part of our commitment to the planet and the environment, we advise and encourage the use of public transport and official buses or authorized buses, which, where applicable, will be announced on the Web.

Further information on transport and parking can be found on the Festival website.

12. CHANGES IN THE CONDITIONS OF THE FESTIVAL

The Festival is made up of a variety of artists and performances.

The Organiser will ensure that the proposed line-up and artist schedules are adhered to. However, any of these may be subject to change at any time and without prior notice, either due to the needs of the Festival itself or for reasons beyond the control of the Organiser.

To this end, the Organiser reserves the right to modify, suspend or alter any of the activities and performances shown on the Festival poster. In no event will such changes give rise to any right to a refund or reimbursement of the price of the Ticket purchased.

Wherever possible, changes before and during the Festival will be announced on the Organiser's website and social media.

13. CANCELLATIONS

The above applies:

- (i) If the Festival is interrupted or is not completed after it has started.
- (ii) If the start time of the Festival is delayed.

In addition, adverse weather conditions and changes to the schedule within the Festival will not entitle you to a refund or reimbursement (in whole or in part) of the Ticket price.

14. COVID-19 AND OTHER VIRUSES OR COMMUNICABLE DISEASES

The purchaser of a Ticket acknowledges the risks (known and potential) of the virus known as COVID-19, or other easily communicable viruses or diseases and understands that: (a) such risks increase with the proximity of other persons; (b) such risks cannot be completely eliminated within the Festival; (c) there is an inherent and high risk of exposure to COVID-19 (or other easily communicable viruses or diseases) in any public place or location where people are present; and (d) there is no guarantee (express or implied) that they will not be exposed to COVID-19 (or other communicable viruses or diseases) if they enter the Festival Venue.

The total maximum liability of the Organiser will in no case exceed the amount of the Ticket purchased (excluding Handling Fees). The Organiser will not be responsible for any other expenses associated with attending the Festival (such as travel, accommodation or subsistence expenses), nor for the value of items which may be damaged, lost or stolen during the Festival.

Nothing in these Terms and Conditions can exclude or limits the Organising Entity's liability for death or personal injury caused by our negligence, for our fraud or gross negligence, or for any statutory rights that you have as a consumer.

If an Attendee or Ticket holder is denied access to the Venue (or ejected from the Venue) for any of the reasons set out in these Terms and Conditions, the Ticket (or Wristband, as applicable) purchased will become void without giving rise to any right to a refund or reimbursement of any amount (without prejudice to a request for a refund of unused cashless system balances).
